

AUSSENANSICHT

The image shows a clinical or hospital room. In the center is a patient bed with a stainless steel frame and a blue mattress. The bed's headboard is raised and has a blue panel. To the left of the bed is a tall, thin metal stand with a control panel. To the right is a built-in cabinet with a glass door, revealing internal components. On the wall to the right of the cabinet is a control panel with a screen and buttons. The room has a white ceiling with a grid of recessed lights and a window on the left wall.
